

ENCINA WASTEWATER AUTHORITY

OPERATOR - OIT/I/II

The **Encina Wastewater Authority** (EWA) is a model of excellence and innovation, committed to protecting the Pacific Ocean, producing and using renewable resources, and maintaining fiscal responsibility. Located in Carlsbad, California, EWA is seeking an enthusiastic, experienced Operator to join our team.

Under the direct supervision of the Operations Supervisor this position performs operational activities and limited maintenance of complex treatment systems and auxiliary equipment at the Encina Water Pollution Control Facility (EWPCF) and other EWA-operated facilities, and other related duties as assigned.

This position requires graduation from high school or equivalent, plus six Continuing Education Units (CEUs) in wastewater treatment or science. Possession of a Wastewater Operator Certificate from the State of California Water Resources Control Board is highly desirable.

Possession of a non-restricted California Driver's License and successful completion of a pre-employment physical examination, drug screen, and background checks will be required at the time of appointment.

An application and a copy of the job description can be obtained on EWA's website at www.encinajpa.com or by calling 760-438-3941. Resumes will not be accepted in lieu of applications. Applications must be received by EWA no later than Friday, July 21, 2017 at 6200 Avenida Encinas, Carlsbad, CA 92011 or emailed to dallen@encinajpa.com. Applications received after this date will not be considered.

Starting pay for this position will be based on level of certification and experience: OIT - \$24.57 per hour; Operator I - \$27.04; Operator II - \$32.40.
