

Find a meaningful career and supportive work environment with

Encina Wastewater Authority

About Us

Encina Wastewater Authority (EWA) is a wastewater treatment agency in Carlsbad, California. We serve over 400,000 residents and regulate approximately 600 business in a 125-square-mile service area in northwest San Diego County. Six public agencies own EWA through a Joint Powers Agreement that facilitates cost sharing and enables economies of scale that the individual member agencies could not achieve independently. These member agencies are the City of Carlsbad, the City of Vista, the City of Encinitas, the Vallecitos Water District, the Buena Sanitation District, and the Leucadia Wastewater District.

About Carlsbad

Carlsbad is a seaside community of 39 square miles, nearly 40% of which is dedicated to open space. Due to our perfect climate, you can enjoy 46 trails, 40 parks, 3 pristine lagoons, and nearly 7 miles of beaches year-round. Temperatures range from an average of 58 degrees in January to 73 degrees in July, making every day a beach day. In addition to great surfing/swimming/fishing opportunities, Carlsbad is home to several world-famous golf courses, LegoLand, The Flower Fields, and a charming Village that's perfect for an afternoon stroll or evening out.

Employer of Choice

"Together, we are a model of excellence and innovation" isn't just a tagline at EWA—it's the commitment we've made to each other and to our community. We strive to honor these behavioral values to ensure a positive, productive work environment for all employees:

- Integrity
- Respect
- Valuing people
- Commitment
- Leadership
- Responsibility

We support our employees with a variety of benefits, including:

- Paid vacation and sick leave;
- CalPERS defined benefit (pension) retirement program;
- Employer matched deferred compensation plan;
- Cafeteria plan that includes medical, dental, vision, life, disability coverage, as well as the opportunity to participate in Flexible Spending Accounts and other voluntary benefits;
- Tuition reimbursement; and
- Professional development opportunities.

The Opportunity

EWA seeks a Manager of Engineering Services to join our Technical Services Department.

In this key role, you will perform a variety of highly complex and specialized professional engineering activities. You will plan, organize, and direct activities associated with capital projects, including project management and asset management. Additional responsibilities include: the execution and implementation of designs, studies, and assessments, ensuring compliance with applicable local, state, and federal engineering standards; directing the review and analysis of the impact of new and changing regulations; and assisting in the development and implementation of operational and administrative procedures to ensure cost-effective compliance. This position exercises significant authority and independence in implementing a broad range of services and programs in coordination with other EWA managers.

The Ideal Candidate

The ideal candidate has: a Bachelor's Degree in Civil, Mechanical, Environmental, Sanitary, or Chemical Engineering (Master's Degree is highly desired but not required); and seven years of increasingly responsible professional engineering, including two years of project management experience in the design and construction of wastewater and recycled water

systems (potable water processes desired but not required).

Qualifying Education & Experience

In addition to the education and experience requirements, the successful candidate will be a Professional Engineer (P.E.) as issued by the California State Board of Registration for Professional Engineers & Land Surveyors, or be able to obtain P.E. registration within first 12 months of hire.

Compensation

The salary range for this position is \$121,049 - \$163,416.

The Process

To be considered a candidate for this position, please complete and return the application that is available at www.encinajpa.com. Include a cover letter, resume, and any other information you feel is important for us to consider when reviewing your candidacy. Resumes without applications will not be considered.

Applications must be received by Friday, July 9, 2018 at 6200 Avenida Encinas, Carlsbad, CA 92011. You may also email your application to dallen@encinajpa.com.
